

# REMOTE PSYCH

**A Telehealth psychology practice connecting remotely with adult and youth clients across Australia.**

**All sessions are via Zoom on your computer, laptop or smartphone.**

Providing access to therapy, regardless of your location or situation is something we are passionate about.

## Medicare Rebate

If eligible, your GP may complete a 'Mental Health Treatment Plan' so you can receive up to 20 Medicare rebated psychology sessions per year.

**Gap Fees From \$30-\$65**

## Bulk-Billing Available

With a valid **Mental Health Treatment Plan**, we offer Medicare bulk billing for some clients. *Eligibility criteria apply.*

**Bulk-billing \$0.00**

## Private psychology sessions

**You can refer yourself for sessions at any time.** The private fee varies from \$144-\$195. You may receive a portion of this fee back from your private health insurance.
